THE CITY LIFE OF COPENHAGEN

Copenhagen. A Scandi metropole.
City buzz. Culture, Design & Art.
Cool Nordic living...

B.Copenhagen's new collection for
spring 2021 reflects the pulsating
atmosphere of the city life in
Copenhagen.

Springtime in the city under a clear,
blue sky. Shades of light blue and
cool mint complemented by darker
denim colours.

Experience a true "safari in the city"
vibe with B.Copenhagen!

We bring you a warm colour scale
based on neutral earth tones and Toffee
Brown combined with the beautifully
subtle Faded Rose.

Off-white and a hint of black and gold are
also part of the colour palette.
