A HINT OF MINT

A sure hit for spring 2021 is the fresh mint colour that JENSEN Women combines elegantly with light lavender and beautiful shades of grey.

Create a casual look with soft and chunky knitwear draped over dresses or skirts.

EXPLORING LIFE

JENSEN Women introduces a range of charming, feminine peasant dresses, bringing to mind the settlers of The Wild West - the look is reflected in several styles.

FOCUS

ON THE KEY-ITEM

JENSEN Women's trousers are the foundation of the everyday wardrobe. The trousers focus on good fit and comfort and are available in a wealth of variations, colours, and materials.

Choose models with or without washes, with or without prints, and in different lengths: long, cropped, or capri.
