SUMMER SWEETHEART

Enjoy our easy going summer styles and have fun in the long summer nights.

White and red are trending this summer, and the colour “Blush” gives associations to fresh red cheeks after a long day in the sun.

Notice the pretty naive floral prints and sweet Liberty prints in the new JENSEN collection for Summer 2021.

SUMMER 2021

CASUAL FEMININITY

Denim and casual shorts for a perfect look in warmer days!
